PROJECT EXPERIENCE

Project Name — PUBG Stat Tracker
- Created app that is able to pull stats from the PUBG API and save it to a persistent database if the User creates an account and links it to their PUBG account.
- Users can search through any of the available stats and view them, with a variety of graphical representations to help provide useful data.

WORK EXPERIENCE

Shipper, **Steel and Pipe Supply**, North Kansas City, Feb 2014 – Dec 2019
- As a shipper, I was responsible for the safe and timely loading and storage of steel pipe and tube.
- After my first year, I was one of my supervisor's go-to shippers for more difficult loads and time pressed projects.
- I was also one of the most adaptable shippers, able to change hours and even shifts to provide cover where it was needed.

EDUCATION

LaunchCode, LC101 Programming Course — 2021
Oral Roberts University, B.S. Electrical Engineering — 2016 (unfinished)
